Re: United States v. Bebars Baslan
Docket No. 13 CR 220 (RJD)

Dear Judge Dearie:

Without opposition by the government, I respectfully request a 3-week extension of the sentencing schedule currently in effect. The reason for this request is not due to any other reason other than my engagement, starting tomorrow, in a month-long criminal trial before Judge Block. Not even the government's requested extension, with my consent, to file its opposition to Baslan's post-trial motions factors into this request.

My requested modified schedule will allow the following date extensions:

- 1) Baslan's sentencing submission, now due on December 19, 2014, to be filed on January 9, 2015;
- 2) Government's response, now due on January 9, 2015, *to be filed on January 23, 2015* (I am frankly uncertain of the current government deadline);
- 3) Sentencing proceedings, now scheduled for January 23, 2015, to take place on or about February 13, 2015, subject to the Court's schedule.

I thank Your Honor for your courtesy and consideration.

Respectfully submitted,

_____/S/____

Ephraim Savitt
